CERTIFICATE OF COMPLIANCE

Manufacturer:
Paramount Industrial Companies, Inc.
1112 Kingwood Avenue
Norfolk, Virginia
USA
757-855-3321

Based on the strict application of a Quality Assurance Program that includes product inspection and testing at the above manufacturing site on or about the date indicated on the law label attached to the mattress of inquiry, the mattress is hereby **CERTIFIED as to complying with the requirements of 16 CFR 1632 (federal cigarette ignition standard), 16 CFR 1633 (federal flammability (open flame) standard for mattress sets) and 15 U.S.C. 1191-11204 Flammable Fabric Act.**

Test records are maintained at the above Manufacturer's address.

Any inquiries should be made to:
Contact: Quality Manager at http://paramountsleep.com/about/contact-us/
Telephone: 757-855-3321

When inquiring about Certification on the product you have, please have the following information available that is on the Law Label attached to the bedding:

- Date of Manufacturing
- Product Identification
- Model Number (if indicated)
- Prototype Number

Product Identification
