

Thrive

*Active families need and deserve proper rest.
The Back Performance collection delivers a
balanced combination of comfort and support
for optimum sleep so you can focus on the
important things in life.*

*The Back Performance collection is a result of
our strategic collaboration with Dr. James Maas,
Retired Cornell Professor, Health &
Performance Consultant*

#7800

Thrive

KEY FEATURES

- 1 Luxury Knit Fabric** Made of phase change material that provides an initial cooling sensation to help you fall asleep faster and ensures a comfortable night's sleep from start to finish.
- 2 Natural FR Rayon Fiber** The fire-retardant fiber we use is the most natural design made from a Rayon and Silicate combination.
- 3 Silk, Wool & Cashmere Blend** Naturally regulates temperature and wicks away moisture. The perfect blend is added to the quilt to keep you comfortable, cool and dry.
- 4 High-Density Support Foam** High-quality, dense support foams conform to your body, which diminishes uncomfortable pressure points while you sleep.
- 5 High-Density Recycled Insulator Pad** The high density recycled insulator pad in the upholstery layers provides deep down support and pressure relief.
- 6 High-Density Comfort Foam** Creates a durable sleeping surface and provides deep down support and pressure relief.
- 7 12.75-Gauge Heavy Duty Spring Design** The 12.75-gauge high density coil construction is made of tempered steel and is the heaviest and strongest support system in mattress construction today. Designed for high performance, it ensures support across the surface for proper spinal alignment.
- 8 Upholstery-Grade Foam Encasement** Permanently seals the innerspring 360 degrees around to deliver a durable, more comfortable seating edge with 20% more sleeping area.
- 9 Recycled Densified Fiber Pad** Need Copy?
