

NEWLY
REDESIGNED
COLLECTION

Sleep, naturally.

Inspired by nature and handcrafted in the USA, the Nature's Spa™ collection is designed to deliver restorative, wellness-focused sleep through carefully curated natural and sustainable materials. Trusted by luxury hospitality and crafted with uncompromising attention to detail, Nature's Spa™ invites you to experience comfort that replenishes, rejuvenates, and restores night after night.

Why Nature's Spa?

Designed to support the body's natural recovery process, the Nature's Spa™ collection blends premium comfort layers with advanced support systems to create a balanced, breathable, and restorative sleep experience. Every mattress is thoughtfully handcrafted using responsibly sourced materials that promote wellness, durability, and long-lasting performance.

- Natural, breathable luxury materials
- Cooling pressure-relieving comfort layers
- Zoned support with advanced coil systems
- Sustainably sourced and responsibly crafted
- Handcrafted in the U.S., backed by a 20-year warranty
