

Thrive

*Active families need and deserve proper rest.
The Back Performance collection delivers a
balanced combination of comfort and support
for optimum sleep so you can focus on the
important things in life.*

Sleep Doctor
CERTIFIED

*The Back Performance® Collection was developed
in collaboration with the late Dr. James B. Maas, a
retired Cornell University professor and renowned
sleep researcher.*

#7800

Thrive

KEY FEATURES #7800

- 1 Luxury Knit Fabric** Made of luxurious phase change material that ensures a consistently comfortable night's sleep from start to finish.
- 2 Natural FR Rayon Fiber** The fire-retardant fiber is the most natural design made from a rayon and silicate combination.
- 3 Silk, Wool & Cashmere** The perfect blend of these fibers added to the quilt offer natural temperature regulation and moisture wicking.
- 4 High-Density Support Foam** High-quality, dense support foams conform to your body, which diminishes uncomfortable pressure points while you sleep.
- 5 Eco-Friendly Upholstery Pad** The sustainable firm upholstery layer provides deep down support.
- 6 High-Density Comfort Foam** Creates a durable sleeping surface and provides deep down support and pressure relief.
- 7 12.75-Gauge Heavy Duty Spring Design** The 12.75-gauge spring unit is one of the strongest support systems in the industry, engineered to deliver consistent support across the entire sleep surface and proper spinal alignment. It is encased by high-density, upholstery grade foam for durability and edge-to-edge stability.
- 8 Upholstery-Grade Foam Encasement** In addition to sealing the innerspring, the encasement delivers a durable, comfortable seat edge and 20% more sleep surface to the mattress.
- 9 High-Density Base Foam** Provides optimal support for all the heavy duty spring design.
- 10 Recycled Fiber Pad** The recycled fiber pad is crafted using repurposed materials, offering optimal mattress support while helping to reduce waste and promote sustainability.
