

MX HYBRID *Plush*

*Active families need and deserve proper rest.
The Back Performance collection delivers a
balanced combination of comfort and support
for optimum sleep so you can focus on the
important things in life.*

Sleep Doctor
CERTIFIED

*The Back Performance® Collection was developed
in collaboration with the late Dr. James B. Maas, a
retired Cornell University professor and renowned
sleep researcher.*

#7831

MX HYBRID

Plush

KEY FEATURES #7831

- 1 Luxury Knit Fabric** Made of luxurious phase change material that ensures a consistently comfortable night's sleep from start to finish.
- 2 Natural FR Rayon Fiber** The fire-retardant fiber is the most natural design made from a rayon and silicate combination.
- 3 Cooling Gel Contour Foam** The ridges design of the super-soft, pressure relieving foam alleviates aches and pains, molding to body contours to provide optimum support where needed.
- 4 High-Density Plush Memory Foam** Quick recovery memory foam provides the greatest level of motion separation and pressure relief.
- 5 High-Density Comfort Foam** Creates a durable sleeping surface and provides deep down support and pressure relief.
- 6 "Blue" Cotton** Derived from the denim manufacturing process, "blue" cotton gives new life to premium, natural fibers resulting in breathable comfort that supports restful sleep and a sustainable future.
- 7 800 Nested Pocket Spring** The pocket springs are nested together to provide a zoned sleeping surface. Each spring moves independently and contours to the shape of your body to provide both zoned and individualized support.
- 8 Upholstery-Grade Foam Encasement** In addition to sealing the innerspring, the encasement delivers a durable, comfortable seat edge and 20% more sleep surface to the mattress.
- 9 High-Density Base Foam** Provides optimal support for all the pocket springs.
